

“After years of fleeing from persecution and waiting in refugee camps, Lutheran Social Service Refugee Services helps individuals and families rebuild their lives. Margaret Yapp, Volunteer Facilitator for Refugee Services at LSS, will tell us how our mission partner LSS addresses the needs of refugees, and how this work is affected by changing attitudes towards immigration and refugee services.” We will be doing a special offering for LSS this day. You may support them monetarily or they need the following products for their refuge families right now.

**-Shampoo for curly hair**

**-Moisturizing hair oil for curly hair (argan oil, coconut oil, jojoba oil are all nice!)**

**-Hair picks**

**-Laundry detergent**
