

In this very difficult hiring market –

1) The English Learning Center needs a **Van Driver** for 4 mornings a week, to transport students to and from school. All students are adult refugees and/or immigrants, who are highly excited about coming to learn English. The van is a 15 passenger van, and requires simply a regular driver's license for operation. Mondays - Thursdays, for a total of 20 hours per week.

2) Our Saviour's Housing needs an **Administrative Assistant** to do some clerical work, setting up bills for payment, and requests for rent payment. Some on-line ordering through our accounts is also a part of this work. This position provides critical support for more than 100 people in our program who are no longer homeless. 15 hours a week; all day time hours. Days to be determined.

Both of these positions are clearly part time. They may be very appropriate for someone recently retired, who wished to do something important, earn a modest income - and keep busy!

Both positions might also be filled by a student (needs to be 24+) who seeks part time work as supplemental income.

If you know of anyone in your congregation, or circle of friends/family/acquaintances, please have them get directly in touch with me. Or check out our website at [www.oscs-mn.org](http://www.oscs-mn.org)

Finally - we are still very much in need of **Dinner Meal Providers** at our emergency shelter. this summer. Please contact Tamara at [volunteer@oshousing.org](mailto:volunteer@oshousing.org)

**Sandy Aslaksen**

Executive Director

**Our Saviour's Community Services**
